

Weekly Plan- 8th to 12th March

THE FINAL COUNTDOWN

1 MORE WEEK OF ONLINE LEARNING UNTIL WE ARE ALL REUNITED

LET'S MAKE IT A GOOD ONE!

Your biggest priority should be the 'Short Story Surprise'

We will be using these in class when we return on the 15th- so all children need to complete this.

Please use the docs/slides that have been provided and don't create new ones as it makes it more difficult to keep track of everything. Printing out your plan, or using it online as a track for your week is the best thing to do.

Thank you and have a great week :)
